

PE & SPORT PREMIUM (PSP) REPORT 2019 – 2020

PSP Grant Awarded		
Total number of Eligible Pupils	160 (5-11 years)	
Lump sum	£16,000	
Amount received per pupil (£10 x 160)	£1,600	
Total grant received	£17,600	
Objectives of PSP spending		
<p>Grazeley Parochial Primary School uses the PSP to:</p> <ul style="list-style-type: none"> • Continue to Increase children’s competitive experiences and physical literacy through a wide number of inter-school competitions, league matches and intra-school sports festivals; focussing on wider participation levels across all years and abilities- particularly specific groups of children (e.g. target groups such as SEND, BAME and PP) • Continue to develop and support inclusive lunchtime sports activities to support and counteract the high level of car users arriving at school (98%) and less active children within the school. • Continue to fund organised sports activities during lunch times and the training of sports leaders, to help create and maintain an active school. • Continue to support CPD for teachers through rugby mentorship by widening the provision; to include KS1 and EYFS – introducing Didi rugby. • Support a wide variety of after school sports opportunities encouraging participation and interest in sport beyond school. • Forge links with wider secondary schools where opportunities arise, to support pupil transitions into secondary education in terms of sport. • Support the provision of specialist sensory circuits and active breakfasts clubs. • Utilise funding to support less active children; enabling them to participate in competition opportunities. • Equity - Fund transport costs as necessary to encourage and give <u>all</u> children the opportunity to participate in inter-school competitions. • Continue to fund Sports related CPD sessions and resources, utilising specialist coaches as teaching mentors, to support longer term staff development. 		
Record of PSP spending by item/project 2019-2020		
<i>Item/Project</i>	<i>Approximate £% allocated</i>	<i>Impact</i>
A variety of organised lunch time games and sports provision	£7161.68 (40.6%)	We provide an inclusive lunchtime programme for all children years 1-6. With less than 2% of children walking or cycling to school, these physical activity opportunities during the lunch time are crucial to support children's health and activity levels. These activities have enabled children to remain active and participate in sport every day. Children receive quality play times which are organised, mentored and very active. Children benefit both mentally and socially, as well as physically. Consequently, it generally supports better concentration levels in the classroom.
Sensory circuit sessions and equipment.	£1038.18 (6%)	There is an increasing demand for our morning activities for children with SEND. These daily sessions provide an opportunity for children to take part in a variety of physical activities designed to build core stability and gross motor skills , whilst supporting their concentration in the classroom.
PE equipment resources:	£783.95 (4.4%)	Additional PE equipment ensures all children have the equipment they require to make the most of their PE lessons.
EYFS- Sports equipment provision	£1500 (8.5%)	Investment in specialist EYFS equipment ensures that very young children receive the necessary skills to encourage early core strength and ABC skills , whilst developing their gross motor skills.

Specialist sports coaching, mentoring and CPD sessions. This included an intra- school rugby festival and the subsidy of a taster rugby club.	£2160 (12%)	Both teachers and the children's experiences have been extended by receiving mentorship and encouragement from specialist coaches. Children have been able to participate in additional intra and inter-school festivals and competition.
Specialist Sports coaching to support after school competition	£410 (2.3%)	Through this additional coaching provision, children have been able to participate in additional inter-school matches and competition. This supports great confidence amongst all children.
Transport of children to Inter-school events	£354 (2%)	By providing transport, the school helps to support equity, allowing all children to attend events if they wish to participate. Children benefit from competition experiences, camaraderie and participation.
Affiliation Fee - Wokingham School Football Association	£40 (0.2%)	Affiliation enabled children to participate successfully in football festival opportunities across the Wokingham Schools. A wide number of children have thoroughly enjoyed these experiences and it continues to support teamwork and confidence.
Breakfast club activities	£890.38 (5%)	Increasing uptake of breakfast clubs has enabled more children to be active in the playground before school begins. This benefits the children on social, emotional and physical levels.
Sports safe maintenance of indoor and outdoor equipment, maintenance and preparation of the sports grounds including the MUGA and sports field .	£2375.80 (13.4%)	Essential grounds and equipment maintenance ensures continuity of safe sports activities including hosting home games as part of the provision for inter-school competitions. Rental of the extra land provides a quality space for sporting activities throughout the day to include: breakfast club, lessons, lunch time sports activities and after school clubs. This benefits the children in terms of supporting a more inclusive and active lifestyle.
Participation and rewards- medals, stickers and certificates.	£29.80 (0.1%)	Medals achieved at the Wokingham Schools Competitions are now funded by individual schools. Other rewards are used for intra-school competitions and the Schools Games Sports day to give children a positive feeling of achievement and participation, no matter what level they are competing at.
Introduction subsidy for tennis club	£184.00 (1.5%)	Subsidies towards certain clubs support the initial uptake and interest; all helping to support wider participation and an active life style.
On line teaching resource	£695 (4%)	This online resource helps teachers to introduce the correct progressions for each year group; supporting the staff's continual professional development.
