

### Safeguarding in the Curriculum at Grazeley Primary School

The safeguarding curriculum at Grazeley Primary School has been developed as a way of informing our children of the potential risks that they or others may face. The lessons aim to inform pupils on how to keep themselves and others safe from these risks and what to do if they have any safeguarding concerns. Throughout the curriculum the key for pupils is keeping safe.

Year group	Term	E-safety	Keeping safe	Keeping healthy (including mental health)	RSE	Tolerance including Prevent
Reception	Autumn 1	Using iPads safely	PANTS rule (consent) Behavioural expectations Our loving community People who help us Call the emergency services  PSHE- who can help me?
