Children starting to use individual letters learnt to effect a change on the picture Adults are dictated to by the child, the adult says each word as it is written, pointing out gaps and punctuation. Re-reading and scanning and checking writing. Child begins to write the initial sound of a word and the adult continues to write the other parts of the story.	Children drawing response to the story including more details. Child knows groups of letters make up a word and a group of words make sentences. Child continues to write the initial sound of a word which may develop to a VC and a CVC words and the adult continues to support.	More phonetically correct words are written by child along with common words, e.g. 'the' and known tricky words. Can use a phonic mat or work bank to support. Adult writes any unknown words.	Child takes the pen more and more, until eventually they are writing complete phrases. May still need a phonics mat to support.	Child confident to write a simple short story. May still need a phonics mat to support.
