

Summer 1 Key Knowledge

Where does my food come from?

In the Early Years Foundation Stage we want all children to acquire key foundational knowledge alongside their phonic and mathematical knowledge. Below is the essential knowledge we have identified from this term's work that our children need to have success in the next stage of their education and in later life.

I can write simple sentences of my own choice.

I recognise signs of spring.

I know Georgia Okeeffe was an artist who painted flowers.
I know Vincent Van Gough painted almond blossom

I know that sleep, exercise and keeping clean are important to stay healthy.

I know what is important in a healthy diet.

I know what a lifecycle is.

I can make careful observations of plants as they grow change.

I know plants need soil water and sunlight to grow and thrive.

I recognize different farm animals and match them to their young.

'Be courageous, be strong, do everything in love' 1 Corinthians 16 v13 & 14

Loving Community

I can work with a classmate to complete a task together.

Hope for the Future

I can make healthy choices about what I eat.

Courageous Learners

I can share my learning with my family.

Literacy

I can use writing in my play.

Maths

I can investigate numbers to 20.

Essential Vocabulary

I know the meaning of these words -

Lifecycle

Farm

Spring

Germinate

Grow

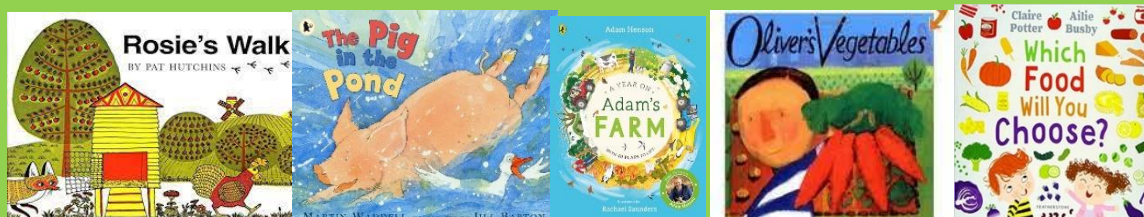

Seed

Healthy

These books will help me to learn about spring and growing plants.

These books will help me learn about food, farming and living healthily.

I know 3 poems about plants and staying healthy
